

Watcharapon Tawarat

Key Account Manager: Thailand & Vietnam
Coating Engineering and Services (CES)
AkzoNobel Thailand

Watcharapon holds a Master of Engineering degree in engineering management and offshore technology from the Asian Institute of Technology (AIT). With nearly 15 years of experience in the oil and gas industry, he brings a robust background to his current role.

As a Key Account Manager, Watcharapon's primary responsibility is to oversee business opportunities in the Thailand and Vietnam regions. He operates within the Marine, Protective, and Yacht coatings (MPY) sector.

In his current position, Watcharapon concentrates on coating products and services. He leads the business development efforts for the InterPlan™ Corrosion Management System, an innovative solution that has proven to reduce operating expenses, enhance operational efficiency, optimize asset utilization, and minimize risk.
